

Fax to E-mail

Save time and money with Fax to E-mail.

With Telovations Fax to E-mail you don't have to stand by the fax machine waiting for that important fax to arrive. When your faxes are delivered to your e-mail in-box you can be anywhere and receive the documents that are essential to your business. And, you are able to easily forward or save them.

You also benefit from the cost savings of Fax to E-mail. When faxes arrive at your e-mail in-box you no longer have the expenses of paper and toner for your fax machine. Additionally, you may be able to eliminate the need for multiple fax machines if you receive a large number of faxes.

Receive your faxes in your e-mail in-box, saving time and money.
